Important Safety Instructions

READ ALL INSTRUCTIONS BEFORE USING THIS PRODUCT.

WARNING

- This product is not intended or suitable as a toy chest.
- Do not allow children to play in the storage compartment as there is a risk of suffocation.
- Do not leave an infant or child unattended to prevent a suffocation hazard.
- Metal Pin and Thumb Screw are choking hazards.
- Metal Pin is not a toy. Keep away from children as it can cause serious injury.
- Open and close the Suspension Lid slowly to avoid pinching your hands and fingers.
- Keep hands and fingers away from the Slow-Close Mechanism when opening and closing the Suspension Lid to avoid a pinching and crushing hazard.

CAUTION

- Indoor residential household use only.
- Please ensure all components are attached securely before use.
- Total weight of the assembled product is approximately 96 lbs. Please use caution and appropriate lifting techniques when moving the Snugg to prevent injuries.
- Make sure the Slow-Close Mechanism is always attached to the Suspension Lid for soft closure to minimize injury. Replace the Slow-Close Mechanism immediately if broken or missing components.

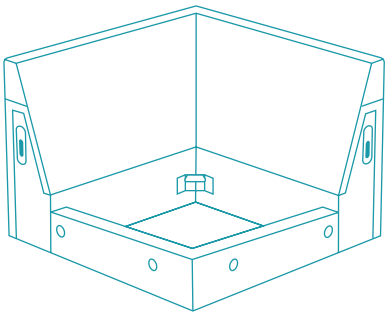

Read and understand all the safety instructions before using this product. If you have any questions about these products, their installation, or their operation, please contact the Lovesac Customer Love Team at support@lovesac.com. You can also visit www.lovesac.com for additional resources.

1 Arm Insert Set, 2 Arm Covers.)

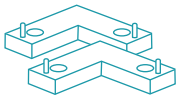

Corner Insert

Seat Cushion

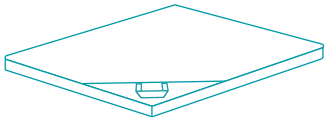

Back Pillows

2 L-Feet

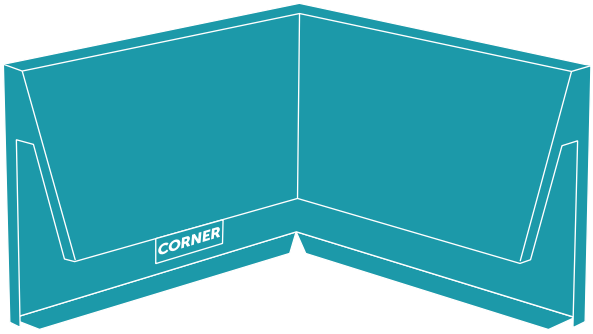

16 Felt Pads

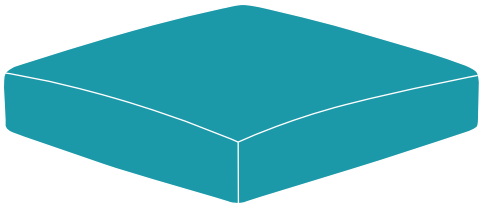

Suspension Lid

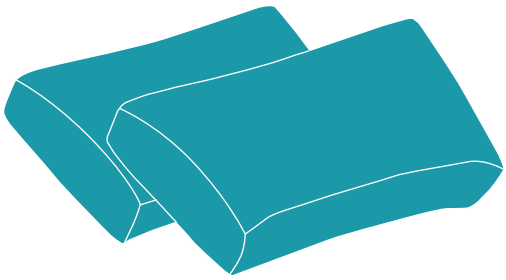

COVERS

1 Corner Cover

1 Seat Cushion Cover

2 Back Pillow Covers

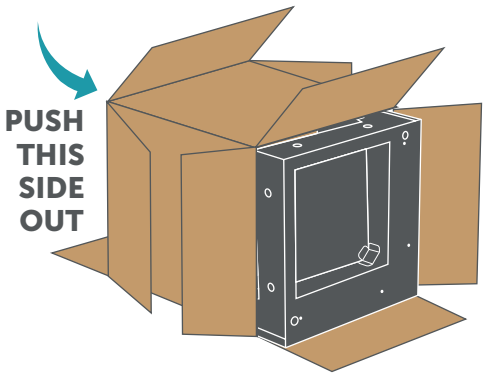

Setup

STEP 1 Unbox all parts

1.1 Unbox Components

Note: Protective strips placed over hook and loop strips on Inserts. Remove prior to securing Covers.

a. Carefully unbox all components. Open both ends of all packaging for easy removal.

1.2 Save or Recycle Cardboard Boxes

a. Flatten cardboard boxes for future use or please recycle them.

b. Please save your shipping materials during your home trial to expedite returns and reduce waste.

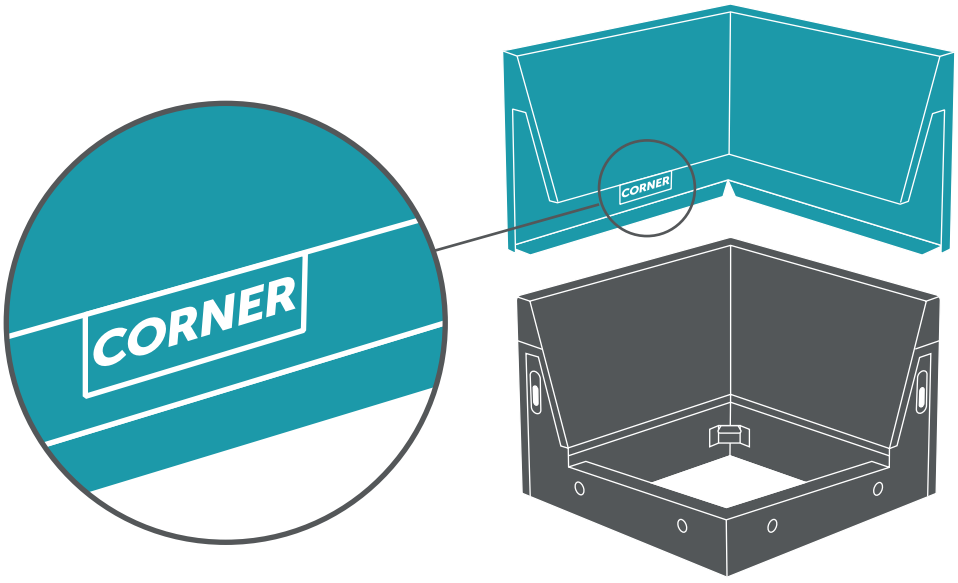

STEP 2 Cover Insert

2.1 Cover Corner

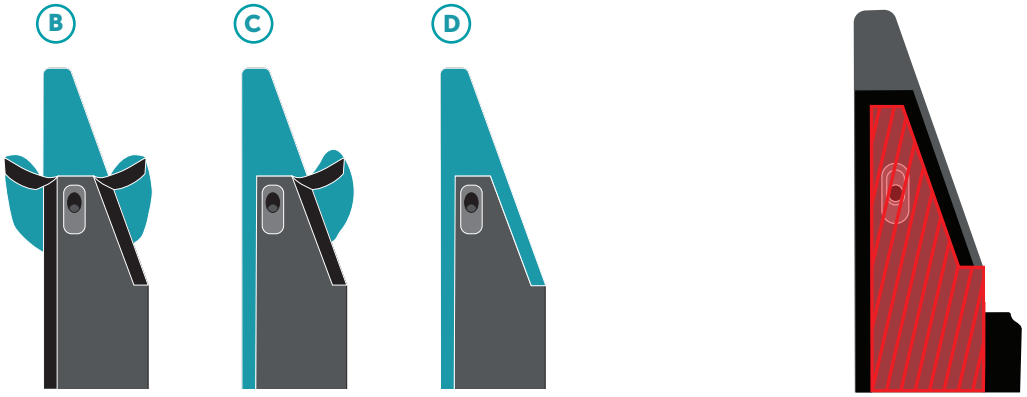

Important: Do not allow the Cover to overlap the connection zone (highlighted below in red) or the Snugg will not assemble properly.

a. Locate Cover labeled "Corner Cover".

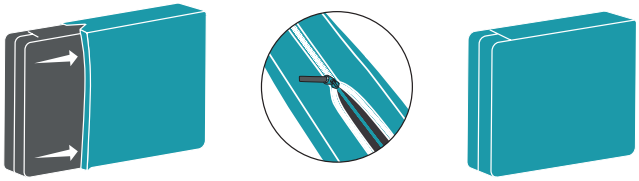

Setup

b. With the shorter side of Cover facing brackets, align top corners and pull Cover over ensuring seams are aligned.
c. Secure hook-and-loop strips on the rear sides of the Corner.
d. Secure hook-and-loop strips on the front sides of Corner.
e. Lay the Corner Insert down to secure hook-and-loop strips on bottom.

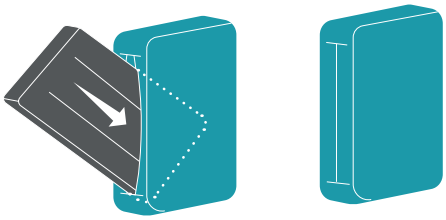

2.3 Cover Seat Cushion

a. Position Cover over the Seat Cushion, ensuring Insert and Cover zippers are on the same side and that seams and edges are aligned.
b. Locate zipper on the back of the Cover. Carefully zip closed, ensuring fabric remains smooth and wrinkle-free. Tuck zipper pull in pocket.

2.4 Cover Back Pillows

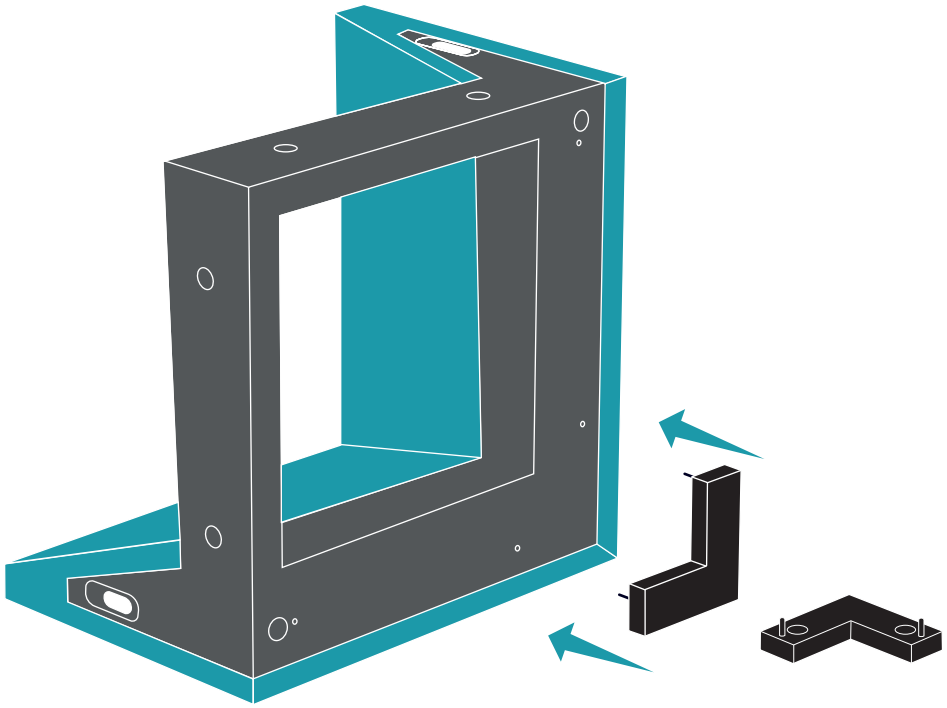

a. Insert Back Pillow into Back Pillow Cover, ensuring all labels are at the bottom.

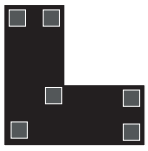

STEP 3 Install rear L-Foot

3.1 Install Foot on Corner

a. Carefully lay the Corner Insert on one of its back sides.
b. Align the L-Foot with the rear corner and press it into the pilot holes to secure.
c. Add Felt Pads as needed.
d. Once attached, carefully stand Corner Insert back upright.

BOTTOM OF FOOT

Suggested Felt Pad Placement

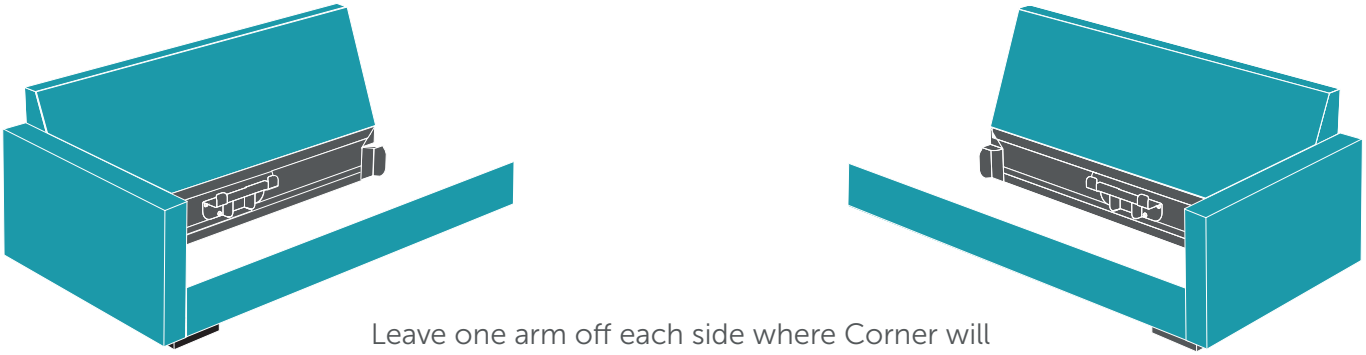

STEP 4 Build Adjacent Snugg Sectional Pieces

(For Loveseat and Arm Setup Instructions, reference the Snugg Setup Guide located in Frame box. You can also visit lovesac.com/how-to for step by step instructions.)

4.1 Prepare Adjacent Pieces

a. Build the adjacent Snugg Loveseats through step 4.4. If you are adding on to an existing Snugg product, remove the Arms from the sides where the Corner will be installed.

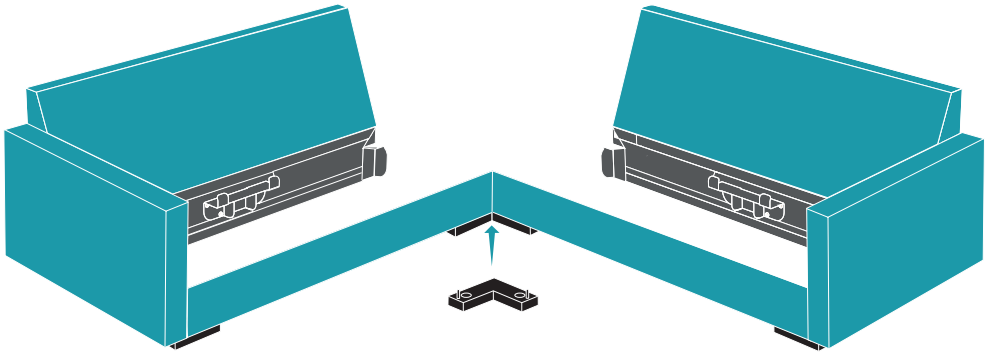

*Note: Arms will need to be installed on opposite ends connecting Snugg pieces as shown in the image below.

Leave one arm off each side where Corner will be placed.

4.2 Install front L-Foot

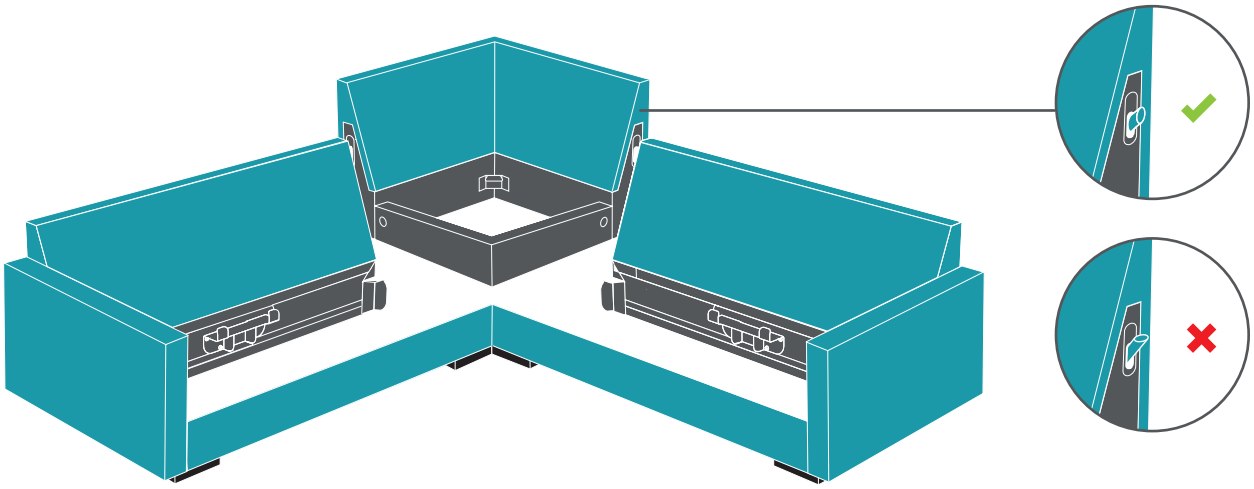

a. Align front Beams and place L-Foot under front corner and press in to secure.

Setup

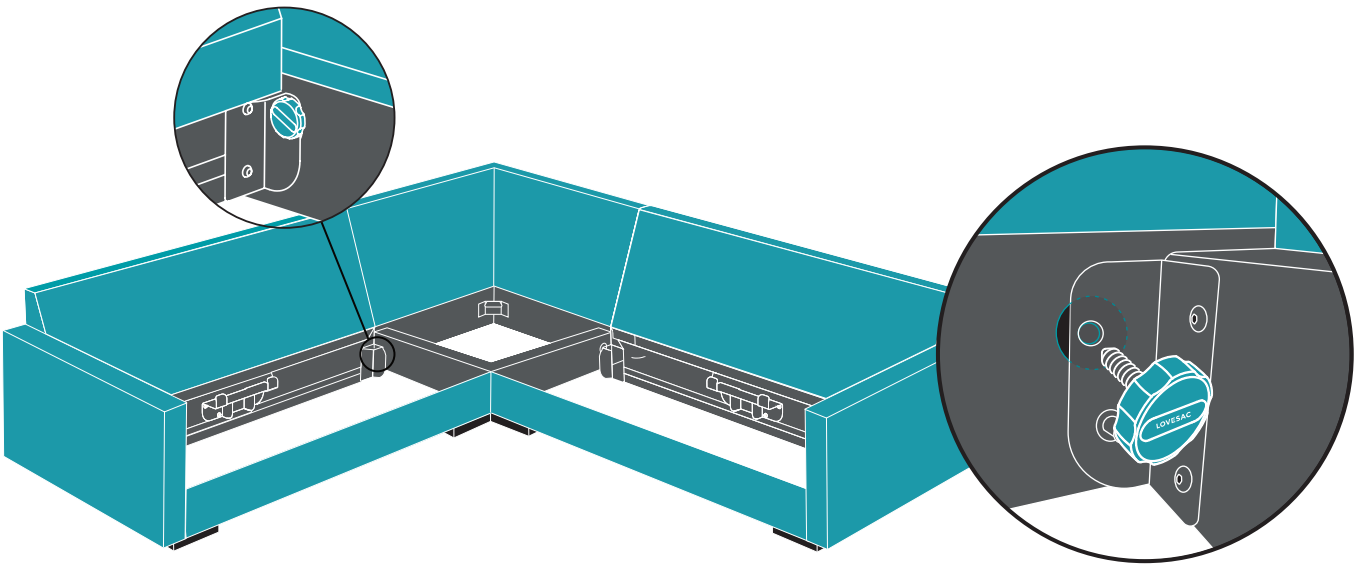

4.3 Place Corner in your layout

a. Insert Steel Pin into two sockets, one located on each of the Backs. Reference image below for correct orientation.
b. Align Back of Corner to be flush with backs of connecting Snugg pieces. Slide Corner sockets onto Pins.

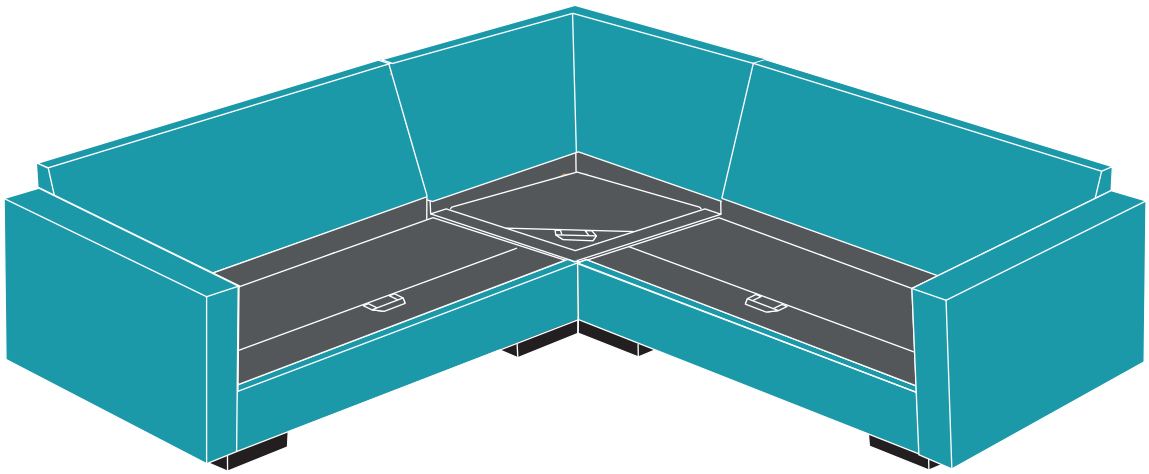

4.4 Secure with Thumb Screws

a. Shift pieces as needed to until the holes in corner brackets are aligned with Thumb Screw holes on all four corners.
b. Insert and tighten Thumb Screws into each corner bracket inside of Seat Frame (four total).

4.5 Install Storage Sling and Suspension Lids

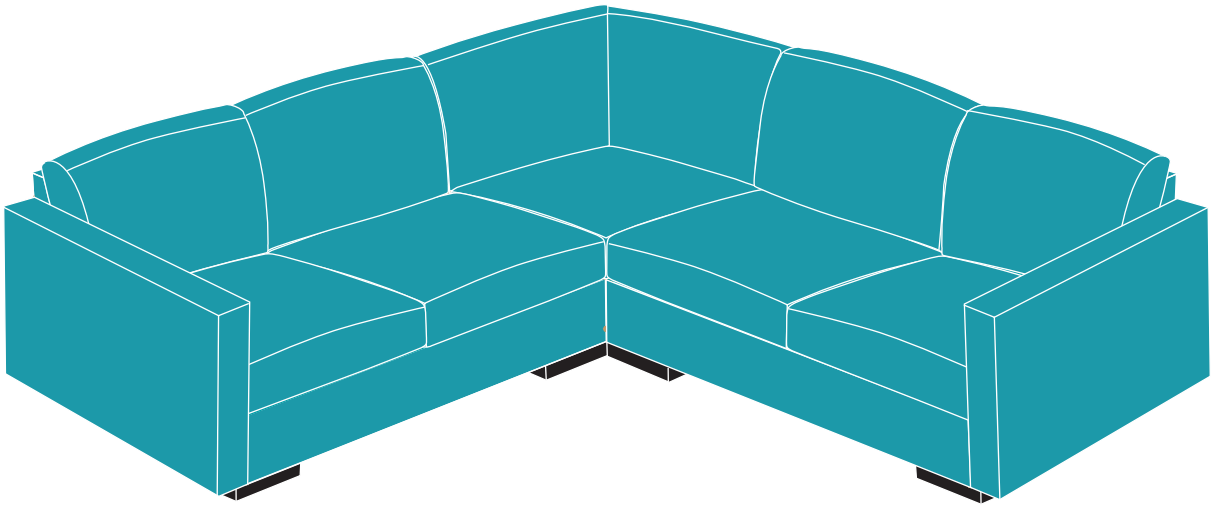

a. Continue with Step 5.1 in the Loveseat Setup Guide.

STEP 5 Add Back Pillows and Seat Cushions

5.1

a. Add Seat Cushions first, then Back Pillows. Enjoy your Snugg Sectional!
