INSTALLING SNUGG CHAIR SWIVEL BASE

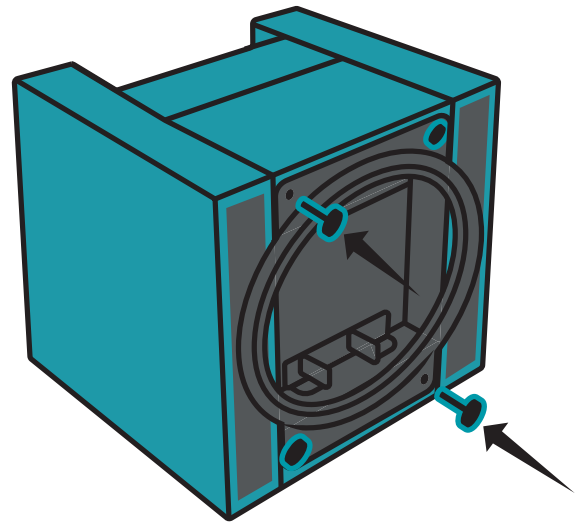

1 Lay Chair down on back

Two people are required for this installation. Carefully lay Chair on its back. Remove all 4 Foot Pegs on the bottom of the Snugg Chair and set aside.

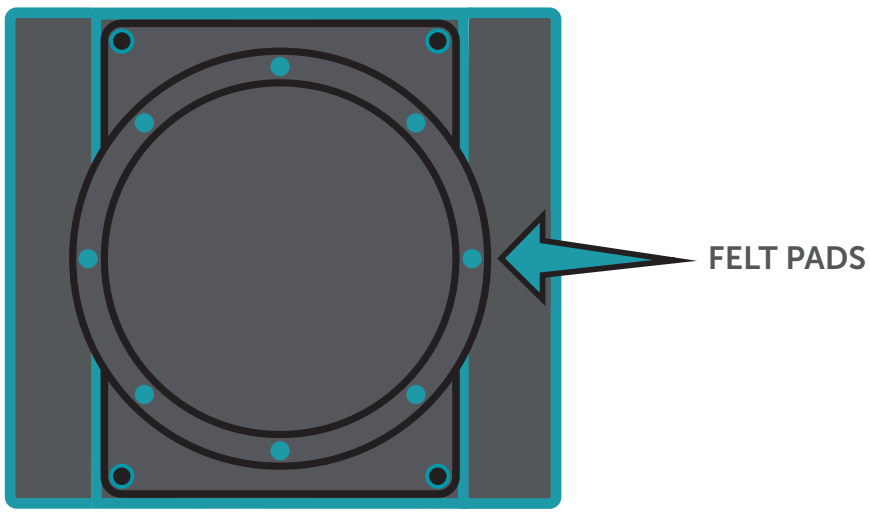

Note: The 4 new Foot Pegs included with your Swivel Base will replace these.

2 Install Swivel Base

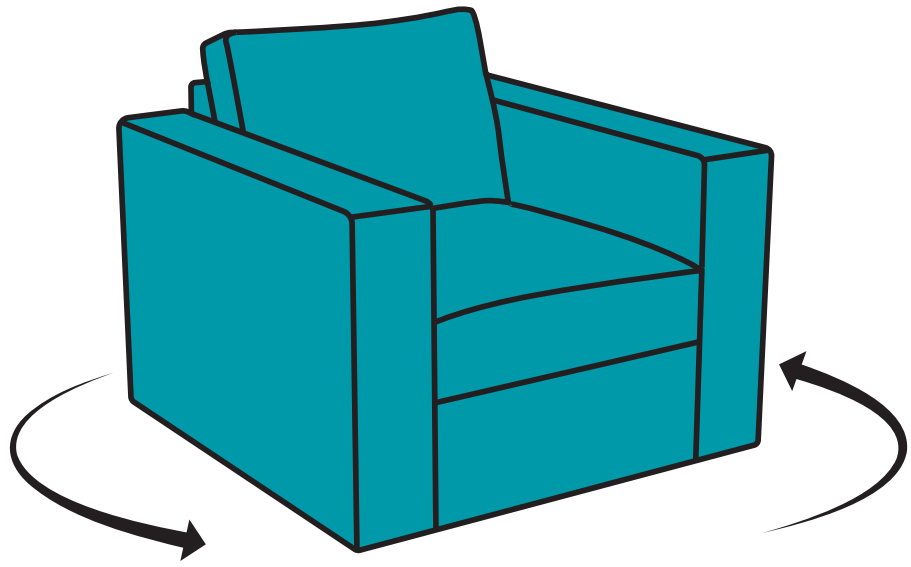

Use the 4 new Foot Pegs provided with the Swivel Base; their longer bolts ensure a secure fit. The Feet included with the Chair are not used with the Swivel Base. Align the Swivel Base holes with the Foot Peg holes on the bottom of the Chair. Have one person hold the Swivel Base steady while the other screws in all 4 new Foot Pegs.

3 Apply Felt Pads

Apply the provided Felt Pads to the bottom surface of the Swivel Base before use.

4 Flip Chair Upright & Enjoy

Carefully stand Chair upright. Your Snugg Chair with Swivel Base is now ready to use!
